Professor Alexander Graphodatsky
Deputy director
Institute of Molecular and Cellular Biology
Novosibirsk
Russia

December 1 2014

Dear Professor Graphodatsky,

I write this letter in strong support of the work conducted by staff of the Institute of Molecular and Cellular Biology. The Institute has a proud record of research achievements and will no doubt continue to produce work of international standard.

Yours sincerely,

Professor Terence J. Robinson (FRSSAf MASSAf)

Vice Dean: Research
Faculty of Science
Stellenbosch University
Private Bag X1
Matieland 7602
South Africa
